Re: Traffic Signal Installation at Rt. 9 NB Ramp/Tennent/Wickatunk Road

Greetings, Mr. Goodman.

It was a pleasure speaking with you this afternoon. As discussed, the New Jersey Department of Transportation (NJDOT) plans to install a traffic light in the area of your property at 1 Wickatunk Road, Manalapan. We anticipate that this signal will greatly improve traffic conditions in the area once installed.

The NJDOT is currently finalizing the signal's design and our requisite 25% cost-sharing agreement with the municipality is being reviewed by the Office of the Attorney General. I understand that Manalapan has already earmarked the municipal funds required for this signal, as well.

We anticipate that this signal will be constructed in Spring, 2022.

Please contact me with any questions or concerns you may have.

Be Well!
